

Liz Colón

Project Coordinator, Part-time

Liz Colón has over 4 years of experience in project coordination and project management in both the private and public sectors. She has managed and overseen the implementation of innovative federal Medicare programs which achieved \$2.4 million in shared savings across the Pacific Northwest. Liz also co-managed One Washington, the largest IT project in Washington State's history. Liz is an effective leader and communicator who has engaged and led operational and executive teams to successful outcomes.

Liz graduated from Saint Martin's University with a Bachelor's degree in Business Administration, with a concentration in Finance, and is currently pursuing her Master's degree in Business Administration, with a focus on healthcare management. She holds a Green Belt in Lean Six Sigma and is certified as a Change Management Professional through Prosci.

A fun fact about Liz is that she coaches the Women's Volleyball team at Saint Martin's University-Go Saints!
