

Bill Kinney

**Director Project Management
Services**

Bill has over 30 years of project / program management experience, in both the private and public sector. He has managed a wide range of large scale organizational projects and initiatives. Bill has an extensive background in healthcare and has served in several director level positions. He helped launch a Department of Defense website providing pre-clinical resources for Veterans returning from deployment, and provided oversight of several releases of the Washington State Health Benefit Exchange website. Bill possesses strong mentoring and team building skills and exhibits leadership by example.

Bill has both a Master of Science in Health Administration and a Master of Science in Management. He has a PMP through the Project Management Institute and is a Military Veteran.

Bill is currently devoting time for his next adventure: Beekeeping.
